for the Presidential briefings the  
night before (Friday for ~~the~~  
Monday briefings, Wednesday  
night for Thursday briefings..)

If Admiral Turner wants  
a pre-brief, he will call  
for someone to come down to  
OSOB. McManus expects  
that as a general rule,  
if he has questions he will  
rely on the secure telephone -  
if the above is not clear,  
call me.
